**Petition to Revive an Unintentionally Abandoned Application  
Under the Provisions of 37 C.F.R. 1.137(b)**

The above-identified application became abandoned for failure to file a timely and proper response to the Notice of Allowance mailed on September 26, 2005, which set a three month shortened statutory period for response. The abandonment date of this application was December 28, 2005.

Applicant's attorneys respectfully petition the Commissioner for Patents to revive the above-identified application under the provisions of 37 C.F.R. 1.137(b) on the ground that the entire delay causing the abandonment of the above-identified application was unintentional. The undersigned hereby represents that the entire delay was unintentional.

Per PTO Rule 137(b), enclosed with this Petition to Revive and above statement that the delay was unintentional is:

- a) the petition fee in the sum required under 37 C.F.R. § 1.17(m) (see Deposit Account authorization below); and
- b) the Issue Fee Transmittal responsive to the Notice of Allowance.
